Kauziuzi Trail

Trail 4

Walking/ Hiking Only
Walking Time: 2 hrs
Difficulty Level: Medium
Shade Cover: 70%

Cross the bridge at the lodge and continue for a further 500m, then head up the escarpment to Kausiuzi peak – The same peak on the water intake trail for those more active.
The top of this trail is perfect for sundowners!

This trail is great for geologists with varied rock formations and a probability of spotting porcupines and bushpigs (Keep your eyes out for signs of their movements). The Viewpoint has excellent views to Lilongwe and state house on a clear day, it's excellent for sundowners and return to the lodge on a night walk, spotting nocturnal creatures.
