Mkuwa Trail

Trail 1

Walking or Cycling
Walk Time: 2 Hours
Difficulty Level: 1
Shade Cover: 70%

Take the main road down to the second bridge and turn right upstream into the hills towards Mozambique. Follow the Mkuwa Stream where there will be a shelter and rest area.
(Ideal forest bathing location)
Continue through the forest, dambo and grassland and loop back to the main road and on to the lodge.

This Path is ideal for birding and nature lovers. The Waterberry Trees flower during October and November and attract a myriad of bird life. Keep your eyes out for the special Silver Terminalia Trees and Golden Bristle Grass!
This route attracts birds such as the Lesser Seedcracker, Anchietas Sunbird and the Red Winged Warbler.
